

Karma Kombucha

Karma Kombucha is a raw, naturally effervescent tea-based beverage that is craft brewed using only the finest quality ingredients. We start with filtered water enhancing the purity. Our tea is brewed using organic and fair trade cane sugar and organic premium whole leaf teas which also contribute to the health of our planet. Our organic cultures are meticulously maintained to ensure our kombucha is rich in beneficial microorganisms.

Karma Kombucha is brewed using traditional methods and thus contains beneficial:

- ✓ Antioxidants/Polyphenols
- ✓ Organic Acids to aid digestion
- ✓ Healthy Bacteria to promote gut health and support a strong immune system

Masala Chai Black Tea and the Chinese Nightingale

In the Hans Christian Anderson fairy tale, The Nightingale, the Emperor of China is smitten by the song of the nightingale. When the Emperor is taken deathly ill, the nightingale's song revives him to full health. Like the nightingale, our Masala Chai tea is vibrant with an exceptional spicy flavor and aroma with ingredients including organic green cardamom, cinnamon, ginger, cloves and black pepper.
